

Standard Dacron Mainsail for Hanse Yachts

Classic looks and durability.

North's Cruising mainsails are designed to deliver performance, durability and quality.

We provide the most desirable features in a North cruising mainsail, but without some of the features from Cruiser or Offshore mainsails.

Exclusive features of North C-Cut Mainsails for Hanse Yacht

- Standard roach
- Headboard
- Stainless steel pressings for tack, clew
- Stainless steel pressings for reefs
- Aramid leech cord with plastic cleat
- Telltales in top two battens
- Drawstring sailbag.
- Fullbatten
- Reefs
